MATCHING GIFT DONATION & STEWARDSHIP

“The Lord loves a Cheerful Giver” 2 Corinthians 9:7

Your Cathedral of the Annunciation is blessed with many ministries that promote our Orthodox Christian Faith. Providing for the young, the young at heart and all who call the Cathedral their spiritual home. As the year nears its end, we remind all of the opportunity to support our parish through the fulfillment of our 2023 pledge and commitment.

In addition, we have the ability to challenge ourselves through the generosity of some faithful members of our congregation. For every new or increased 2023 stewardship contribution above your current annual stewardship pledge received on or before December 24, 2023, ***a matching donation of up to \$90,000 in the aggregate will be made to the Stewardship Campaign.***

Respectfully, search your hearts and know that your kindness will greatly benefit the Cathedral ministries that are thriving and growing each day. *Send your donation to the Cathedral by December 24th by mail or donate online.* Simply identify in the memo line of your check or choose the field of “2023 Matching Gift” if donating online.

Your generous action will be significantly appreciated.

Paternaly in Christ,
